To whom it may concern,

I am writing regarding Nancy McNamara, with whom I have worked for the past decade.

Nancy is a truly gifted artist. She has done both hair and makeup for me in every possible setting: from a Presidential debate... to inauguration balls...to my wedding...to breaking news on location. She is talented, creative, kind and flexible. Frankly, flexible barely covers it! Nothing shakes Nancy - she's hopped onto airplanes with no notice and never lost her calm. She is comfortable in any situation and she makes everyone around her comfortable, too.

Nancy's work is consistently beautiful. I recommend her without reservation to anyone looking for tasteful, elegant hair and make-up.

Please do not hesitate to contact me with any questions.
